

# BOOT CAMP II

*School Councils: Let's continue the conversation*

*Guest Speaker*

## JACQUI STRACHAN

Jacqui is the Communications and Engagement Director at People for Education. A former lawyer, she has been actively involved in education issues for over 20 years, working full-time at People for Education since 1998. In her role, Jacqui develops content for People for Education's website, e-bulletins, and reports; coordinates a network of parents, education partners, and community agencies; and runs workshops at conferences and school events across Ontario.

This evening is for school council members and all interested parents. There will be an opportunity following Jacqui's presentation for everyone to chat about council-related topics of their choice; to ask questions and share best practices with other councils.

Note: we plan to also live stream this event. Register to receive the webinar link and listen in from home.
